Your Download is ready

IMPORTANT!

If you'd like to use the **Apple Calendar & Reminder** links in this planner, please install the **Calendar-Reminders Shortcut** on your Apple Device. First, go to **Settings on your device > Shortcuts > Enable Private Sharing** (you can disable it after installation) > then install shortcut below:

ENABLE APPLE CALENDAR LINKS<---- (CLICK HERE)

Then Add Shortcut and Choose Goodnotes as note-taking app

Note: For **Google Calendar** Integration just download the planner and Import to your note taking app
